Anti-Judaism, Antisemitism, and Delegitimizing Israel (Studies in Antisemitism)

Anti-Judaism, Antisemitism, and Delegitimizing Israel (Studies in Antisemitism)

Although early Zionist thinkers perhaps naively believed that anti-Jewish persecution would end with sovereignty, anti-Zionism has become one form of the “new” antisemitism following World War II. Because antisemitism has not been effectively addressed, anti-Jewish rhetoric, activism, and deadly violence have flourished around the world.

In *Anti-Judaism, Antisemitism, and Delegitimizing Israel* editor Robert S. Wistrich and an array of notable academics, journalists, and political scientists analyze multiple aspects of the current surge in anti-Jewish and anti-Israel rhetoric and violence. Contributors Ben Cohen, R. Amy Elman, Lesley Klaff, Matthias Küntzel, Nelly Las, Alvin H. Rosenfeld, and Efraim Sicher, among others, examine antisemitism from the perspectives of history, academia, gender, identity, and religion. Offering a variety of viewpoints and insights into disturbing trends worldwide, the contributors provide a basis for further discussion and increased efforts to counter the increasingly vocal and violent hatred of Jews and Israel.
