Qu'est-ce que la méthode Assimil ? Cette méthode d'auto-apprentissage révolutionnaire repose sur un principe simple et efficace : l'assimilation intuitive. Elle s'inspire du processus naturel qui permet à chacun d'acquérir sa langue maternelle. Très progressivement et grâce à des dialogues vivants, des notes simples et des exercices, Assimil vous amène au niveau de la conversation courante. Durant la première partie de votre étude, la phase passive, vous vous laissez imprégner par la langue en lisant et en répétant chaque leçon. Dans la seconde partie, vous abordez la phase active qui vous permet d'appliquer les structures et les automatismes assimilés tout en continuant à progresser. En quelques mois, vous parlez sans effort ni hésitation, de manière très naturelle. Nos points forts : des dialogues vivants et utiles, un choix de situations réalistes et actuelles, une progression grammaticale soigneusement étudiée, des révisions systématiques pour consolider vos acquis, des commentaires culturels passionnants, un style humoristique unique et éprouvé.
