- Presents **sophisticated but fair multiple-choice questions** that are neither too difficult nor unrealistically straightforward.
- Is **valuable to all students** regardless of whether they will be tested by multiple-choice or essay questions on their exams.
- Embodies a far more **user-friendly and interactive approach** than other exam preparation aids.
- Illustrates a sophisticated problem in the area under discussion with a more challenging final question in each chapter (the "**Closer**").
- Provide practice and helpful review of concepts in earlier chapters with "**Closing Closer**" questions in the last chapter.
