Under Hannah's care, the horse she named Chance was found to be more special than she and her dad could have ever imagined. Circumstances forced them to trace Chance's roots to solve a mystery. Come travel this road with me. The author is an attorney by profession, but she has always had a heart for horses. Having read many, many horse stories as a young girl, she knew she could write books which would keep a young person's interest and also show how prayer and faith can be an integral part of their life. Her first book, "The Copper Colt," also shows that despite life's trials, we should keep our eyes on God as our source of help, comfort, and peace.
