Red Hats: A Novel Damon Wayans

Meet Alma, a mother and wife, who's brutally honest and bitter. Disappointment and heartbreak have left the once vital and joyful woman so cynical and self-protecting that she has forgotten how to love anyone, including herself.

She has become so accustomed to being resentful of her husband, James, that even when she wants to show him love she doesn't know how. He made some mistakes over the course of their decades-long marriage, but she made some mistakes, too, which alienated not only her husband but friends and neighbors as well. Deep down she is sorry for what happened and still loves Harold, but stubborn pride eats away the short time they have left to make amends.

When she finds herself widowed with grown children in far-off places, a deep loneliness sets in and she starts to give up on life. That is until a group of red hat ladies—whom she once thought of as belonging to a cult—extend hands of friendship and reintroduce her to herself and, possibly, a new love.

In this debut novel, Wayans has crafted unforgettable characters in Alma, her family, and friends, and a charming story that stays with the reader long after the last page is read and reminds us of the enduring power of love and friendship.

You can m0ore quickly to read this book from your smart phone. The price is not too expensive but this book provides high quality.

James Atkinson:

You can spend your free time to study this book this book. This Red Hats: A Novel is simple to create you can read it in the playground, in the beach, train and soon. If you did not have got much space to bring the actual printed book, you can buy the e-book. It is make you easier to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Sandra Kelley:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Red Hats: A Novel can make you feel more interested to read.
