This useful collection of choral introits and responses is suitable throughout the church year. Many introits are based on the Psalms as well as other biblical sources. Special introits have been created for fesitvals such as Christmas, Lent and Easter. Closing responses include 1-fold up through 7-fold amens and other appropriate texts. These pieces are very accessible to the average choir. Many may be sung *a cappella*; but all introits have accompaniments. Your congregation will appreciate the creative change in your choir's musical additions to the worship service!
