Mandy and the Cowboy Mogul [Colorado Dreaming 5] (Siren Publishing Classic) Angela Claire [Siren Classic: Erotic Western Romance] Everybody seems to think widow Mandy Parker is some kind of a Jezebel. Never mind that her two marriages to older men were never consummated or that her experience as a seductress is a myth. When a handsome cowboy happens into town, Mandy figures that if she's going to be cast in the role of the temptress, she might as well try to play the part in earnest and at least get the benefits. Aidan Munroe has just taken over the railroad his family owns. When Mandy seems intent on seducing him, he decides to play a part himself, pretending to be a simple cowboy looking for work and claiming he just doesn't believe in "having relations" before marriage. He doesn't know what he enjoys more-the incredulous look on Mandy's face or her blatant attempts to disabuse him of the concept. Will Mandy and Aidan ever stop playing their parts long enough to fall in love? ** A Siren Erotic Romance
