MySearchLab provides students with a complete understanding of the research process so they can complete research projects confidently and efficiently. Students and instructors with an internet connection can visit [www.MySearchLab.com](http://www.MySearchLab.com) and receive immediate access to thousands of full articles from the EBSCO ContentSelect database. In addition, MySearchLab offers extensive content on the research process itself—including tips on how to navigate and maximize time in the campus library, a step-by-step guide on writing a research paper, and instructions on how to finish an academic assignment with endnotes and bibliography.

Positive Psychology, is designed to serve as a primary text for an undergraduate college course in positive psychology. Consistent with the “nuts and bolts” presentation of positive psychology, in many places throughout the book the authors provide detailed coverage of individual research studies, methodological issues and theoretical controversies.
