Beyond the Heavens: A Story of Contact Maurizio Cavallo (Jhlos)

Maurizio Cavallo's book reveals a secret so powerful in its transformative potential, that national security agencies around the world have been vigorously suppressing it for over fifty years. Human looking extraterrestrials are visiting and living among us; and come with a message of individual empowerment, global peace and social upliftment. This book takes you through an Italian contactee's astonishing journey where he experienced a truth that transformed his personal world. A similar experience lies on the road ahead for all those willing to experience contact with human looking visitors from other worlds who can help transform our lives and our planet. Michael E. Salla, Ph.D. Author, *Exopolitics: Political Implications of the Extraterrestrial Presence* (2004) *Beyond the Heavens* is an unearthly experience and a realization that we have human looking aliens quite like us living and working on Earth. It is their intention says Maurizio to raise the "vibration" of this humanity, aid us in the coming Earth changes and most of all to offer us hope that we will find our true destiny in the stars. Paola Harris Journalist/ Researcher Author, *Connecting the Dots: Making Sense of the UFO Phenomena* *Exopolitics: How Does One Speak to a Ball Of Light To express Maurizio Cavallo's-Jhlos works of serene beauty we should have, as he has, the gift of silence and his same lightly sensual sense of the sacred.* Journalist and philosopher, painter, sculptor and musician, Maurizio Cavallo met inhabitants of a planet in the third galaxy distant from Earth, about 150,000 light years away. Michel Gay Art critic, Chairman of the Peintres en Provence Association Author of several historic research books for which he was granted the French Legion of Honor.
