**Coming Again: But When? a Fascinating Look at the Beliefs Surrounding Christ's Return** Jerry Newcombe

Ever wonder when Jesus will return for His church? Will it be soon? And what about the Tribulation--will Christians live through it or be raptured before it? Is the Millennium a literal one-thousand-year period? What do these and many more terms mean? How do they figure into Christ's Second Coming? What can Christians expect in the days ahead?

Jerry Newcombe examines and explains the issues surrounding the Second Coming, clearly presenting the various points of view. Giving examples from the recent and distant past, he points out the folly of trying to set the date for Jesus' return. Rather, he encourages Christians to focus on our common hope in Christ rather than bicker over the hows and whens of our future. His passionate plea to be ready for Christ's coming will have you saying, "Even so come, Lord Jesus."

*"All of history is moving toward its inevitable climax--the return of Christ. How will it be? How will He come? Well-meaning Christians answer that question different ways. To get a good understanding of those various opinions and the consequences that flow out of those opinions, I recommend you read Coming Again." - D. James Kennedy, Ph.D., Senior Minister - Coral Ridge Presbyterian Church*
