Havoc's Sword: An Alan Lewrie Naval Adventure Dewey Lambdin

Dewey Lambdin's lovable but incorrigible rogue, Captain Alan Lewrie, Royal Navy, is back to cut a wide and wicked swatch through the war-torn Caribbean in *Havoc's Sword*, an entirely new high seas adventure.

It's 1798, and Lewrie and his crew of the Proteus frigate have their work cut out for them. First, he has rashly vowed to uphold a friend's honor in a duel to the death. Second, he faces the horridly unwelcome arrival of HM Government's Foreign Office agents (out to use him as their cat's-paw in impossibly vaunting schemes against the French). And last, he must engineer the showdown with his arch foe and nemesis, the hideous ogre of the French Revolution's Terror, that clever fiend Guillaume Choundas!

We know Lewrie can fight, but can he be a diplomat, too? He must deal with the newly reborn United States Navy, that uneasy, unofficial "ally," and the stunning, life-altering surprise they bring. For good or ill, Lewrie's in the "quag" up to his neck this time. Can sword, pistol, and broadsides avail, or will words, low cunning, and Lewrie's irrepressible wit be the key to his victory and survival, as even the seas cry "Havoc"?
