The Leader Guide provides process guidance for weekly group sessions. The Leader Guide understands the role of leader as facilitator of small-group sessions. Procedures for guiding sessions include: directions for using related video segments, and questions for discussion.

Make a deeper connection to the world of the Psalms so that these well known scriptures can help you give voice to all aspects of our human experience—joy, faith, uncertainty and sorrow.

During two weekly video segments, experience a varied presentation of individual Psalm texts, including dramatic reading, music, dance, and images. Listen to insights into specific Psalms presented by one of two biblical scholars through an informal, roundtable conversation format

Ideal experience for adults who are interested in the practice of prayer and worship and would like to connect prayer practice with Scripture. The study is accessible for adults with little prior Bible experience.

Participants for this Invitation to Psalms do not have to have an in-depth knowledge of the Bible to enjoy and benefit from participation. Reading just two chapters of Psalms a week, they will discover the life altering stories that will invite them to follow Christ as true disciples.

This ten-week study includes a participant book outlining daily reading assignments for group preparations, a leader guide suggesting discussion activities for use in the 60–90-minute weekly meeting, and a video component providing interpretation and context for the biblical texts.
