Student to Student: A Guide to College Life

New college students face a world of adjustments as they take on the challenge of campus life, and one of the biggest tests is learning to thrive in the midst of monumental life change. Student to Student is a collection of reflections written by students, for students, that takes an honest look at the most common pitfalls and opportunities that life on campus affords. These weekly readings are written by Christian college students from a variety of Christian and secular institutions—over 20 schools are represented—and each entry opens a window into real-life campus experiences. Readers will instantly identify with the authentic voices of students finding their way through the maze of college life while growing their relationships with God.
