Million Dollar Networking: The Sure Way to Find, Grow, and Keep Your Business (Capital Business)

Andrea Nierenberg

The Wall Street Journal called Andrea Nierenberg a 'networking success story.' She is a master at helping others build their interpersonal skills to create strong business connections. In her first book, she told you how to improve your life, luck, and career through personal networking. In "Million Dollar Networking", this top corporate consultant focuses on what she knows best - building business through networking - and shows you how to find and develop a solid network of business relationships and lifelong customers. For all types of businesses—from financial services to advertising agencies, from retailers to technology companies—Andrea provides the universal rules of effective networking, offers easy-to-follow steps for establishing your business connections, and explains the attributes of great networkers and how you can attain them. In her frank, relaxed style, Andrea's new book is just as fun to read as her first, Nonstop Networking, and has useful tips and action points, plus exercises to help you incorporate her teaching into your business plan.

Denise Kerrigan:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Million Dollar Networking: The Sure Way to Find, Grow, and Keep Your Business (Capital Business) can make you feel more interested to read.
