The New Covenant

The New Covenant Michael Penny

In writing this booklet, the author first explains what a covenant is, and then answers the following four questions:

What is the New Covenant?

Who is the New Covenant between?

Is the New Covenant operating today?

If not, when did it operate, or when is it to operate?

In answering these questions, in a brief but comprehensive style, he considers:

The New Covenant in the Old Testament

The New Covenant in the Gospels

The New Covenant in the Acts Period

The New Covenant in the Earlier Letters

The New Covenant in the Later Letters

And in a brief appendix he comments on all the covenants of Scripture, and why he disagrees with the view that the church of today is the Spiritual Israel.

This is a booklet that many Christians will find not only stimulating and challenging, but also enlightening. The message for this age – salvation by grace through faith – becomes so much clearer once the New Covenant is seen in its true light.
