Arthur Edward Waite

Devil-Worship in France: Or the Question of Lucifer Arthur Edward Waite

In *Devil-Worship in France*, Waite attempts to discern what is genuine from what is fake in the evidence of 19th century Satanism. To get the answers he spends a great deal of time investigating the French Masonic echelon, debunking a "conspiracy of falsehood" and determining what should be understood by Satanism and what not. Huysmans' diabolical novel *LA-Bas* (1891) inspired Waite to write this sceptical analysis. His main motive to write this book, however, could very well have been its use as a lubricant for a Masonic career.

Waite took a leading role in a counterattack, after French rumour spreaders had accused Golden Dawn founders William Wynn Westcott and MacGregor Mathers of being chief Lucifer-worshippers. This was much appreciated by them. In the end, Waite's *Devil-Worship in France* debunked the whole accusation affair - and this a year before Gabriel Jogand Pages (Leo Taxil in the book) admitted the allegations were indeed a hoax.

Arthur Edward Waite (1857 - 1942) was a scholarly mystic, Freemason, Rosicrucian and Golden Dawn member who wrote extensively on occult and esoteric matters, mostly in academic style. A certain irony is glued to this book forever, as it was Edward Arthur Waite, who showed Aleister Crowley "The Way" when he advised the Beast 666 to read Eckhartshausen's *Cloud upon the Sanctuary*, about the mysterious hidden church inside the visible church, when his foe in later days had just finished reading Waite's *Book of Black Magic and Pacts...*
