Stokely: A Life Peniel E. Joseph

Stokely Carmichael, the charismatic and controversial black activist, stepped into the pages of history when he called for “Black Power” during a speech one Mississippi night in 1966. A firebrand who straddled both the American civil rights and Black Power movements, Carmichael would stand for the rest of his life at the center of the storm he had unleashed. A nuanced and authoritative portrait, *Stokely* captures the life of the man whose uncompromising vision defined political radicalism and provoked a national reckoning on race and democracy.
