The Cartoonist's Workshop Steve Marchant

An award-winning artist concocts a really fantastic-looking drawing workbook that's as fun, colorful, and carefully structured as the cartoons themselves—and a must on every aspiring cartoonist's bookshelf.

From mastering the correct facial proportions to drawing believable scenes with human and animal figures: that's where this effective and engaging how-to course takes would-be cartoonists, whether they want to create a superhero or mock the latest political shenanigans. It teaches basic drawing skills, provides guidance on the necessary tools, covers a wide range of styles and techniques, and offers thoughtful projects that encourage experimentation and originality. The plentiful images delight while they instruct beginners on perspective and foreshortening; depicting the figure in movement and through body language; portraying furniture and common objects; and defining a sense of place. Develop a good sense of composition, see how to come up with ideas, and put together an effective portfolio. An artist's gallery presents a range of enjoyable professional work, including caricature and political satire, children's cartoons, slice-of-life sequences, and more.

From reader reviews:

Donald Rose:

The book *The Cartoonist's Workshop* can give more knowledge and information about everything you want. So why must we leave a very important thing like a book *The Cartoonist's Workshop*? Wide variety you have a different opinion about reserve. But one aim which book can give many info for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or information that you take for that, you can give for each other; you are able to share all of these. Book *The Cartoonist's Workshop* has simple shape but the truth is know: it has great and large function for you. You can appearance the enormous world by available and read a book. So it is very wonderful.

Antonio Duncan:

You are able to spend your free time to learn this book this guide. This *The Cartoonist's Workshop* is simple to deliver you can read it in the recreation area, in the beach, train along with soon. If you did not possess much space to bring typically the printed book, you can buy typically the e-book. It is make you quicker to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Angela Hampton:

Is it anyone who having spare time in that case spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This *The Cartoonist's Workshop* can be the answer, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this new era is common not a geek activity. So what these guides have than the others?

Robin Castillo:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this *The Cartoonist's Workshop* can make you sense more interested to read.
