The War on Christmas: How the Liberal Plot to Ban the Sacred Christian Holiday Is Worse Than You Thought John Gibson

In the United States of America, a nation overwhelmingly Christian, literally any sign of Christmas in public can now lead to complaints, litigation, angry protests, threats, and bruised feelings. Every year the limitations get tighter and tighter and spread to more and more communities, far from the big liberal cities. And as Fox News Channel's John Gibson reveals in this shocking exposé, it's not happening by accident.

Secular liberals say they're just protecting the constitutional rights of non-Christians who don't want to see or hear about Christmas. But what about the constitutional rights of millions of Americans who simply want to celebrate their traditional holiday—without insulting anyone else but also without having to hide behind closed doors?

Gibson unveils the coordinated work of American Civil Liberties Union lawyers, professional atheists, and Christian haters who have taken the war on Christmas to your front door.

The War on Christmas is heating up, maybe in your own town. Don't let it catch you unprepared.
