My book is intended to save the lives of the globe from my illness now that I what caused it. The illness I solved is Huntington's disease just in time to save my life and others. My book has been intended to save the globe from death caused my illness. Caffeine killed my ancestors. Caffeine production across the planet must be stopped. Your life can be saved by having no caffeine for as long as the disease was around. The other chapters in my book are illnesses that have similar symptoms. I will not know if the experiment will work until we try it. A caffeine concentration sensor could be made and we could go back on caffeine.
