Billie Fullalove witnesses the murder of her parents at the hands of a gun-wielding thug. In the melee, Billie loses a leg. But her Batmanesque beginnings don't turn her into a superhero. Yet. Billie survives her lonely childhood and settles into a solitary life, pursuing her dream of being an editor in a top publishing house. Unable to avenge her parents' unsolved murder, she is accosted by news stories of bad guys going free thanks to an inept court system. She wields her red pen and edits the newspaper to fight evil forces, right wrongs, and bring justice to victims. When her edits come true, and criminals start dying, Billie must discover the vigilante's identity before they act out more of her revenge fantasies.
