Open Your Eyes: Extraordinary Experiences in Faraway Places

Living in a new place is very different from visiting one, especially when that place is far away from home. Traveling gives us the rare opportunity to see who we might have been if we had been born someplace else. For some, it's a chance to recreate ourselves. For others, it's a time to realize who we already are. In *Open Your Eyes*, ten writers will be your guides to the journeys that changed their lives: a boarding school in England; parenthood in France; the most beautiful spots in Italy; China on the Yang-tze; a tiny shop in Tokyo, Japan; and even to Pilzen, Czechoslovakia as World War II is ending. Though each story offers an original viewpoint, all of the stories reflect back on two important themes: where we come from and how we become who we are.

Edited by Jill Davis.
