Mission Impossible David Muncaster

One Act Play - 2m 3f A meeting room, a flip chart, an enthusiastic facilitator, and four employees who are determined to give her a hard time. This is the background to Mission Impossible, a hilarious look at the corporate nonsense that anyone who has ever attended a team bonding session will know only too well. Ice Breakers and silly games do little to bond this team as the beleaguered facilitator gets tough to ensure that she gets the outcome she desires. Mission Impossible won the Congleton One Act Play Festival 2009. This is an extended version of the original play and is a little bit longer, a little bit ruder and quite a bit sillier.
