Abraham Kuyper wrote *Pro Rege* to remove the separation between the believer's life inside the church and the believer's life outside the church. He saw the kingship of Jesus as the key to bridging the two. In this first volume, Kuyper discusses the darkening of Christ's Kingship, the undermining of Christ's Kingship, and the Kingship of Christ according to Scripture. He also examines the kingdom of Satan in opposition to the kingdom of Christ.

This new translation of *Pro Rege*, created in partnership with the Kuyper Translation Society and the Acton Institute, is part of a major series of new translations of Kuyper's most important writings. The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies, aimed at deepening and enriching the church's development of public theology.
