Buddhist Dead: Practices, Discourses, Representations

Cuevas, Bryan J., Stone, Jacqueline I.

Buddhist Dead: Practices, Discourses, Representations Cuevas, Bryan J., Stone, Jacqueline I.

This important collection moves beyond the largely text-and doctrine centered approaches and characterizing and earlier generation of Buddhist scholarship and expands its treatment of death to include ritual, devotional, and material culture. Its foundational insights are both culturally and historically grounded and at the same time offer a basis for further, comparative conversations on death between scholars of Buddhism and other religious traditions.
