Charles I: An Abbreviated Life (Penguin Monarchs)

Mark Kishlansky

Charles I: An Abbreviated Life (Penguin Monarchs) Mark Kishlansky

The most despised monarch in Britain's historical memory

The tragedy of Charles I dominates one of the most strange and painful periods in British history as the whole island tore itself apart over a deadly, entangled series of religious and political disputes. In Mark Kishlansky's brilliant account it is never in doubt that Charles created his own catastrophe, but he was nonetheless opposed by men with far fewer scruples and less consistency who for often quite contradictory reasons conspired to destroy him. This is a remarkable portrait of one of the most talented, thoughtful, loyal, moral, artistically alert, and yet, somehow, disastrous of all of England's rulers.
