Imaginative logic puzzles are the pinnacle of this classic series designed to sharpen deductive reasoning skills and strengthen the ability to sort through information by formulating connections. Created with the classroom teacher in mind, these puzzles are both intriguing and easy to fit into lesson plans for the gifted and talented, as well as many main course curriculums. Designed for teachers frustrated with complicated logic exercises that are beyond the scope of one class period, the *Connections* puzzles are formatted for success within 50-minute pullout programs.

Each puzzle includes an introduction, clues, grid, and an illustration. Many educators have found *Connections* the best exercise to introduce deductive reasoning skills while enhancing enthusiasm. Exercises are simple to use and gradually present ever-increasing challenges.
