Konor, though, is a different story. She's had a crush on him forever and can't resist when he makes his move. The sexy fireman is intent on claiming Heather not just for himself, but for Alex, too. That is if Konor can convince Alex and Heather to give each other a second chance. It won't be easy, but Konor has a plan. Then again, so do Heather and Alex. The challenge is set, and the only question that remains is whether all three can end up winners, or will somebody's heart end up broken...again? ** A Siren Erotic Romance
