## **Preaching Old Testament Narratives (Preaching with Excellence)** Benjamin H. Walton

The Old Testament plays a foundational role in the church today. When it comes to Old Testament narratives, however, preachers have had a hard time finding a user-friendly resource to help them preach these texts well. Benjamin Walton provides the help preachers need. In one volume, Walton guides preachers through the process of selecting a text; discovering its unique design; determining its theological message; and conveying an inspiring message that listeners today can understand, buy, and apply. Recommended by leading scholars and pastors, this book's user-friendly approach is the result of years of research and testing conducted with anonymous groups of pastors. While designed for preachers, this book is clear enough for any ministry leader to use. This valuable resource will enable them to proclaim and apply Old Testament narratives with excellence.
