Kids ages 8 to 11 can learn about the life of St. John Neumann, the holy man who became the only canonized North American bishop. From very early in his life, John wishes to learn more and grow closer to God. Finishing his studies in his European homeland, he wants nothing more than to be a missionary priest in America. When his ordination is delayed, John sets out for America, relying on God's providence. God watches over John on his many adventures as he travels from Europe to America and becomes a Redemptorist priest. Later, when Pope Pius IX assigns him as the fourth bishop of Philadelphia, he journeys throughout his new diocese to meet the people face-to-face. Listening to the needs of his flock, many of whom were immigrants, he built thirty churches, started the Catholic school system, and was greatly loved by all. Features and Benefits: • Illustrates love of God's people • Contains a prayer, a pronunciation aid, and a glossary • Shows zeal for a priestly vocation • Demonstrates the value of education • Shows missionary evangelization in action • Exemplifies mercy for immigrants • Includes black and white illustrations • Terrific for classroom or home use • Invaluable for libraries
