**Surviving Single Motherhood: A Story of Hope, Courage, Passion and Dreams!** Nicole Franklin

From the author: "Life did not end for me when I chose to embrace single motherhood. In fact, it had just begun. God used a difficult time in my life to mold me and shape me into the woman I had always wanted to be. I have dedicated the rest of my life to making sure single mothers, or those facing unplanned pregnancies, know the truth. I have made it my purpose and passion to share my personal story as evidence that God is very real, and He is ready to be there for you every step of the way."
