Denver's Historic Homes (Images of America) Amy B. Zimmer

Images of America: Denver's Historic Homes provides a mere introduction into the myriad of architectural styles and the unique blending of cultures that have made the Rocky Mountain region so remarkable, from the city's inception as a mining claim to what it has become today. From itinerantly used sod and log homes to mansions that rivaled the grandest of their period, Denver's eclectic gathering of early residents produced a landscape of architectural monuments that attest to the people's needs, desires, values, and occasional eccentricities.
