Fourplay: A Novel

Jane Moore

Fourplay: A Novel Jane Moore

At age thirty-three, Josephine Miles is forced to come up with a brand-new life when her husband leaves her for "the cliché"--his very young, very pretty secretary. Suddenly she's single and back in the dating game with the added complication of children in tow. But Jo's no wallflower, and she soon finds herself with not one but *four* eligible bachelors vying for her time and affections. Add her two kids and her now booming interior design business to the mix, and she winds up with a nightmarish schedule but a dreamy love life.

So who are the contestants? There's Sean, the sexy foreign affairs correspondent who sweeps Jo off her feet and proves to be masterful in bed; Martin, the music industry mogul who offers luxury, stability, and a glamorous lifestyle; and Conor, Jo's trusted confidant, who knows just what to say to make her smile (why hadn't she noticed *his* irresistible smile until now?). Then there's Jeff, her ex-husband: she wouldn't consider hooking up with him again, would she? It could happen--especially when Jeff's romance with the sweet young thing sours and he launches a full-scale campaign to win Jo back.

Sophisticated, spirited, and as compulsive as a box of bonbons, *Fourplay* offers a new take on the single-girl life perfect for the thirty-something audience. *Fourplay*--what a position to be in...
