Losing America's Schools: The Fight to Reclaim Public Education Nancy E. Bailey

Losing America's Schools: The Fight to Reclaim Public Education is a call to save one of the last great democratic institutions in America. Corporatization, charter schools, misleading claims of skill gaps, the loss of Separation of Church and State, deprofessionalization, and the over-use of technology all threaten the existence of the schools that belong to all Americans. This book addresses the problems surrounding those issues, and is a tribute to the groups and individuals who are fighting draconian reforms in order to save our public schools.
