M.U.M's the WORD! Kimberly West Williams Author Kimselff

The 31-day devotional, M.U.M's The Word, is a collaboration of author Kimberly West Williams' intimate thoughts, journal writings, and affirmations she spoke to herself through the years of being a single mother, caring for her son. Williams has decided to turn these reflections and passages into a unique 31-day devotional in hopes to encourage and inspire other women and single mothers. By sharing what helped her, it is her prayer this book is a light in dark times as many women struggle as single parents every day. "May you never give up and may you build an unforgettable legacy for future matriarchs and generations to come. May M.U.M's The Word inspire and enlighten you. May it remind you there is always light at the end of the tunnel and there is someone, somewhere who always cares." M.U.M's The Word is not meant to be another feel good book, but rather, these personal and intimate words are meant to strengthen and affirm who you are and most importantly-who you are. No matter how deep or dark life may get, this book is full of confirmation that we are continuously filled with greatness through God, and there is a purpose for all we may endure.
