Rats (Animal Planet® Pet Care Library) Julie Mancini

Over half a million US households own pet rats or mice, with both children and adults responsible for taking care of these adorable pets. Rats features all newly authored text by an expert on rodents and provides concise yet complete coverage of subjects such as selection, characteristics, feeding, housing, grooming, training, health and fun activities. T.F.H. has teamed up with Animal Planet™, the only television network devoted to the unique bonds between humans and animals, to present an exciting new series of family-friendly, comprehensive guides to superior pet care. Each book features newly written text from animal experts on a variety of topics, including feeding, housing, grooming, training, health care, and fun activities. Useful tip boxes in each chapter show every member of the household how to make the most out of owning a pet.
