Once in a blue moon an idea comes along that once heard seems so obvious that you wonder why somebody hasn't written about it before. Amanda Owen's *The Power of Receiving: A Revolutionary Approach to Giving Yourself the Life You Want and Deserve* presents a new paradigm for the 21st century—a philosophy that values receiving as much as giving and demonstrates that giving is enhanced when receiving is embraced. With the formula: Believe + Receive = Achieve, *The Power of Receiving* presents a wholly original yet easily accessible road map for people to follow, showing readers how to restore balance to their over-extended lives and attract the life they desire and deserve.

Inspiring stories are featured about people who have experienced life-altering results after becoming skilled Receivers, including Ken who regained his hearing after a devastating hearing-loss, Julie who met the man she would later marry, and Don who received an extra \$1,000 a month in his pay check.

Based on over twenty years of research into the nature of receptivity and its link to manifestation, *The Power of Receiving* offers a unique vision for anyone seeking to create greater reciprocity in their relationships and more harmony and abundance in their lives.
