The night is dark. The moon is bright. She brings his heart into her light.

The fifth book in the Evolution Series and a 49,000 word historical romance novella.

A vicious neighbor uses a series of coincidences to label Salena as the local moon-charmer, making her an outcast in rural Francia. When Salena encounters her brother's childhood friend, Nox, out on business for the Lord of Ribeuville, she fears he will accept the locals' tales about her, especially since they relate to the death of his family a decade before. He is, instead, as charmed by her as she is by him.

Nox's sympathy for Salena evolves into affection in spite of his strict rule against close ties with people. Afraid to risk another loss like that of his youth, he abruptly ends their relationship, unaware that Salena has already been downtrodden by her father denying her request to venture farther out into the world.

A threat to Salena's family prompts her to run away in the hopes of protecting those she loves while forging a new path for her life. Too late, Nox discovers that she has also run away with his scarred heart.

The books in the Evolution Series in chronological order are Unbidden, Second Love: A Short Historical Romance Story, Redeemed, Vain, and Little Witch. The Evolution Series is set what we now know as France and Bavaria in the years after Charlemagne's death.
