“Deep breath, contented sigh, big smile on my face, warm fuzzy feeling in my chest... Yep, I finished reading Cherise Sinclair’s My Liege of Dark Haven.” ~ You Gotta Read Reviews Threatened by university cutbacks, Professor Abigail Bern’s only hope is to publish a provocative research paper—soon. Planning to covertly observe behavior in the notorious Dark Haven BDSM club, she takes a receptionist job. When the owner calls upon her to assist in a demonstration, she’s appalled. Then fascinated. Under the unyielding hands of the master known as my Liege, she discovers a need to be more than an observer. Xavier’s new receptionist is striving to keep an emotional distance, and he’s intrigued. Although she’s intriguingly intelligent, beautifully submissive, and sweetly vulnerable, her defenses keep her on the fringe of life. As he draws her into truly participating, she, in turn, begins to fill his world. Ever since meeting Xavier, Abby questions everything she believes about herself. She’s falling for the stern owner of Dark Haven, and he’s beginning to care for her...until the day he learns why she’s in his club. “The emotional and physical connection between the two lit the pages up, along with understanding, forgiveness, and courage. I will be reading this story again for sure...” ~ Siren Book Reviews
