The Royal Canadian Armoured Corps: An Illustrated History

John Marteinson, Michael R. McNorgan

The Royal Canadian Armoured Corps: An Illustrated History John Marteinson, Michael R. McNorgan
The Royal Canadian Armoured Corps, which encompasses Canada's tank and armoured car regiments, has a proud past. Lavishly illustrated with photos, war art, maps and diagrams, this book traces the history of the RCAC from its cavalry ancestors through World War I and the interwar period that saw the advent of the tank and other new forms of armour. Most of the book deals with World War II as Canadian armoured units played important roles in the defeat of the Third Reich. Finally, the RCAC has been involved in most of Canada's military commitments since then, including peacekeeping duties. This is a large, authoritative, profusely illustrated book that is a must for all libraries and collectors of books in military history.
