This map is waterproof and tear-resistant, at convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. The map is double-sided with a good overlap between the two sides.

Road and rail networks are easy to see on a clear base which presents topography by altitude colouring with contours, spot heights, mountain passes and names of mountain ranges. Swamps and salt marshes are also marked. Road network includes local roads, shows driving distances on main and secondary routes and indicates locations of petrol stations and border crossings.

National parks and protected areas are marked and symbols highlight various places of interest. Also indicated is the boundary of the danger zone around Chernobyl.

Names of towns and villages are in Roman and Cyrillic alphabets, both on the map and in the extensive index; names of geographical features and protected areas are shown only transliterated. Coverage includes all but a small corner of Moldova. The map has a latitude and longitude grid at intervals of 1°. Map legend includes English.
