You & Your Range Rover: Buying, enjoying, maintaining, modifying (You and Your) Dave Pollard

From up-market Land Rover to art exhibit in the Louvre, from storming off-roader to luxury executive transport, the Range Rover has done it all. The Range Rover inspired a new breed of "leisure" vehicles, seeking to emulate its mix of on-road comfort and off-road prowess.

The original Series 1 Range Rover remained in production for 26 years, until it was replaced by the up-market Series 2. The Series 3, launched in 2002, moves the Range Rover emphatically into the luxury car market. This all color book - part of the "You & Your" series - should fascinate all Range Rover owners and enthusiasts.

This book covers how the Range Rover came about, the development story, evolution and model changes; how Land Rover made the Range Rover a true marketing success; the story behind the Series 2 Range Rover and the move up-market; the development of the Series 3, taking the Range Rover firmly into the luxury car market; how to go off-roading safely, and where to do it legally; buying a Range Rover, inspection advice, ownership, maintenance and modifications; specifications for all models, production figures, specialists and clubs.

From reader reviews:

Jonathan Ownby:

Reading a guide tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Guides can also inspire a lot of people. Lots of author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the publications. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this You & Your Range Rover: Buying, enjoying, maintaining, modifying (You and Your).

Brooke Callender:

Playing with family in the park, coming to see the coastal world or hanging out with buddies is thing that usually you could have done when you have spare time, after that why you don't try thing that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love You & Your Range Rover: Buying, enjoying, maintaining, modifying (You and Your), you can enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.

Edward Cottrell:

A lot of e-book has printed but it is different. You can get it by online on social media. You can choose the very best book for you, science, witty, novel, or whatever by simply searching from it.
