## **Halo: First Strike** Eric Nylund

Halo has been destroyed, and the threat it posed to sentient life neutralized. But victory has come at a terrible cost for the UNSC. Thousands of valiant soldiers fell in the battle to prevent the alien construct from falling into the enemy's clutches. Now, everything depends on the Spartan known as the Master Chief. Yet even with the aid of the artificial intelligence Cortana, the Master Chief will be hard-pressed to rescue survivors and evade the Covenant ships patrolling the remains of Halo in debris-strewn space. Ahead lies a dangerous voyage home through a gauntlet of Covenant forces. For the sake of all, the Master Chief and his war-torn squad must not only survive but take the fight to the enemy with a decisive first strike.
