## **Paranoid Park** Blake Nelson

now a major motion picture directed by Gus Van Sant (*My Own Private Idaho*, *Good Will Hunting*, and *Milk*)

It was an accident. He didn't mean to kill the security guard with his skateboard—it was self-defense. But there's no one to back up his story. No one even knows he was at Paranoid Park. Should he confess, or can he get away with it? It's an ethical question no one should have to answer.

Writing more intensely than ever before, Blake Nelson delivers a film noir in book form, complete with interior monologue and dark, psychological drama. This is a riveting look at one boy's fall into a world of crime, guilt, and fear—and his desperate attempt to get out again.
