The Season to Be Wary Rod Serling

The Season To Be wary is unique in that it is one of the first examples of Rod Serling publishing stories he created first in narrative form. This collection of three novellas provides poignant insights into the human condition with all its' moral and ethical dilemmas. Of the three, Escape Route and Eyes were included in the pilot for The Night Gallery, with the latter starring Joan Crawford and directed by new comer, Steven Spielberg. Darkly disturbing, these stories remain relevant today.
