The Skye Trail: A Journey Through the Isle of Skye

Cameron McNeish, Richard Else

The Skye Trail: A Journey Through the Isle of Skye Cameron McNeish, Richard Else

Of all Scotland's islands none casts its spell quite as dramatically as the Isle of Skye. Celebrated in song and story, Eilean a'Cheo is a place of astonishing natural beauty and attracts climbers and walkers from all over the world. The 70-mile long Skye Trail connects two of the island's most extraordinary landscapes; the world-famous Cuillin, the most rugged mountain range in Britain, and the Trotternish ridge, a rolling escarpment of basalt hills that look over the sea to the tumbled landscapes of mainland Scotland. This long walk through the island, the 'Skitis' of the Celtic world, follows ancient byways, cattle drovers' routes, mountain footpaths and an old railway line, through a land where the first inhabitants sensed the presence of their gods in every nook and cranny, on every hill and crag, in every corrie and loch. Landscape and weather and an affinity with wild nature made up the very fabric of their lives. The route visits castles, takes in geological gems like the Quiraing and the Storr, follows rivers and loch-side paths and recalls those who were brutally removed from their homes during the Highland Clearances. It visits the site of the 'last battle on British soil' and climbs Bla Bheinn, surely the finest mountain on this island of fine mountains. The route then takes its finale along the old Marble Line to Broadford, and the end of a magnificent island journey. The Skye Trail is destined to be one of the most popular long distance walks in Britain. Adopted by the Highland Council as an official long distance walk, it was brought to life by BBC Scotland's often repeated "Skye Trail" presented by Cameron McNeish. This illustrated book is based on the broadcast and Cameron's experiences of the trail, the island, its people and its history and environment.

From reader reviews:

Dustin Broach:

What do you regarding book? It is not important together with you? Or just adding material when you want something to explain what yours problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everybody has many questions above. They need to answer that question mainly because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need that The Skye Trail: A Journey Through the Isle of Skye to read.

Virginia Dunn:

As people who live in the actual modest era should be up-date about what going on or info even knowledge to make these individuals keep up with the era and that is always change and make progress. Some of you maybe will probably update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you is you don't know which one you should start with. This The Skye Trail: A Journey Through the Isle of Skye is our recommendation to make you keep up with the world. Why, because this book serves what you want and wish in this era.

Edward Yung:

Playing with family in a very park, coming to see the coastal world or hanging out with good friends is thing that usually you may have done when you have spare time, and then why you don't try issue that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love The Skye Trail: A Journey Through the Isle of Skye, it is possible to enjoy both. It is great combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout folks. What? Still don't buy it, oh come on its identified as reading friends.

Ernest Poole:

Is it you actually who having spare time in that case spend it whole day through watching television programs or just laying on the bed? Do you need something new? This The Skye Trail: A Journey Through the Isle of Skye can be the answer, oh how comes? It's a book you know. You are therefore out of date, spending your time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
