Connect Access Card for Microbiology: A Human Perspective Eugene Nester, Martha Nester, Denise Anderson, Jr., C. Evans Roberts

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, how they need it, so that your class time is more engaging and effective.

Perfect for the non-major/allied health student (and also appropriate for mixed majors courses), this text provides a rock solid foundation in microbiology. By carefully and clearly explaining the fundamental concepts and offering vivid and appealing instructional art, Microbiology: A Human Perspective draws students back to their book again and again!

The text has a concise and readable style, covers the most current concepts, and gives students the knowledge and mastery necessary to understand advances of the future. A body systems approach is used in the coverage of diseases.
