## **Covenant** John Everson

Joe Kieran has found that unearthing the truth for a newspaper can be painful, and telling it, heartbreaking. Hiding from his past big city exposés in the quiet coastal town of Terrel, he stumbles upon a web of mysterious teen suicides that somehow connect a ring of five women. Is there really a malevolent presence inside Terrel Cliff that holds all of the town in thrall as Angelica, a fortune teller, suggests? Or is there a murderous covenant between five women to sacrifice their first-born? When Angelica is kidnapped right under his nose, Joe suspects that there is more at work in Terrel than a dark, tragic streak.

Deep beneath the remains of a long-demolished lighthouse on its tragic cliff, Joe discovers Terrel's secret history and salvation. And in his desperate bid to save two women, he forges a new covenant, one that puts his own soul in deadly danger.
