## **Ships of the Royal Navy: A Complete Record of all Fighting Ships of the Royal Navy from the 15th Century to the Present** J. J. Colledge, Ben Warlow

The essential work, fully revised up to 2010 . . .

This is the fourth fully revised edition of a book first published in 1970. This longevity is testimony to its enduring value as a reference work?indeed, 'Colledge' (as the book is universally known) is still the first stop for anyone wanting more information on any British warship from the 15th century to the present day when only the name is known. Each entry gives concise details of dimensions, armament, and service dates, and its alphabetical and chronological arrangement makes it easy to track down the right ship (otherwise the Royal Navy's tradition of re-using the same names can be misleading).

When originally published, the second of the two volumes was devoted to minor fighting ships, and hired and requisitioned vessels. For the 3rd edition, published in one volume, this material was omitted, but for this edition all the genuine fighting ships?like the numbered Coastal Forces craft?have been restored, resulting in a convenient but comprehensive single-volume listing of all significant vessels.

Since the death of Jim Colledge, who was widely respected for his pioneering research on the technical details of warships, his magnum opus has been updated, corrected and expanded with similar enthusiasm and attention to detail by Ben Warlow, a retired naval officer and author of a number of books in the field.

#### **Amy Smith:**

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Ships of the Royal Navy: A Complete Record of all Fighting Ships of the

Royal Navy from the 15th Century to the Present can make you sense more interested to read.
