This book is a friendly reminder of things many people know but some choose to ignore or rationalize what they know deep in their heart of hearts, because of the fear of facing reality or out of plain rebellion. Unfortunately there are certain facts which will never change no matter what. This book serves to remind us of some of those facts: -Jesus is coming back soon -Heaven and hell are no myths, they really do exist -We are spirit beings living in mortal physical bodies -One day everybody will experience separation between their mortal and immortal bodies through death. -The immortal being cannot die and can only choose between two destinations: heaven or hell. -The choice can only be made on this side of the grave -The only hope for the immortal being is a man called Jesus
